

**WCPSS and PANTHER CREEK HIGH SCHOOL
PARKING REGULATIONS
2009-2010**

1. All students must clear all fees and fines prior to applying for a parking permit. Permits will not be issued to students with outstanding fines or fees to Panther Creek or any other school. Permits are issued at designated times established and announced by school administration. Until students possess their assigned tag to display, they are not permitted to park on campus.
2. The parking fee established by the Wake County Board of Education for the 2009-2010 school year is \$170. Permits issued for less than the entire school year will be subject to a \$17 per month rate for each remaining whole or partial month. These fees are subject to change after the WCPSS budget is finalized for the 2009-2010 school year. Likewise, parking regulations are subject to change.
3. Parking permits will be available only to students who have a valid North Carolina Driver License.
4. All students who park a motor vehicle on the school campus must display the current hanging-tag permit. The tag must be hung from the inside rear-view mirror, facing the front of the vehicle. Students who fail to properly display the tag will be ticketed or have their tags revoked.
5. Vehicles must be parked in assigned spaces. Students remaining on campus for school activities after school are to leave cars in their assigned spaces until exiting campus. The only places available for student parking are the student lots. Students may not park on the road, driveway, in intersections, or in any other place, including other school campuses. Vehicles parked in the wrong space or in unauthorized areas will be towed or “booted” at the owner’s expense and the permit will be subject to revocation without refund.
6. Vehicles should be parked front-end first. Backing into spaces is not permitted.
7. The safe operation of motor vehicles is required. Vehicles must not travel in excess of 10 miles per hour. Seat belts are required for driver and all passengers.
8. Speeding and reckless driving are prohibited. Exiting from student lots in the afternoon will be held until buses leave campus. Citations will be issued as necessary.
9. Supervision is provided for parking lots; however, the school system is not responsible for damages to or theft from vehicles. Students are cautioned NOT to leave valuables in their vehicles. Parked vehicles should be left with windows closed and doors locked.
10. Student vehicles are subject to search and seizure per Wake County School Board Policy 6600.
11. Disabled vehicles may not be left on campus overnight. If necessary, towing should be arranged by the student.
12. If a student holding an assigned parking space transfers within the WCPSS during the year, he or she will be assigned a space at the new school with no further payment of fees, assuming the original parking tag has been returned to the office of the previous school. If no space is available at the new school, the originating school will make the refund.

13. Refunds for parking fees will be made only if the student moves away from the Wake County Public School System. Parking fees will NOT be refunded for
- voluntary withdrawal from school (dropping out);
 - long-term suspension from school;
 - school based disciplinary action related to loss of parking privilege;
 - loss of driving privilege due to revocation of operator's license.
- *All other refund requests are at the discretion of the principal.
14. Only one tag will be issued per space. Students may register up to two of their family vehicles. The tag may be moved from one registered family vehicle to another, but may NOT be sold, given, or loaned to another student for his or her use. The penalty for so doing is revocation of parking privileges.
15. Parking spaces may be shared by students, and carpooling is encouraged. If students apply to share a parking space and are approved to share, only one tag will be issued for the shared space. The student using the space must display the tag. If the permit is revoked, neither student driver may park on campus during the revocation period.
16. Students shall inform the office immediately of any changes in vehicle or license plate.
17. Lost parking tags will be replaced for a \$10 fee. Report losses to the office.
18. School Board Policy 6430 prohibits the possession and/or use of tobacco products on campus. Students may not possess tobacco products or smoke in cars at any time while on the school campus. Weapon and drug charges will result in automatic revocation.
19. Attendance and tardy policy violations may result in revocation of parking privileges. Specifically, chronic tardiness to first block and/or after lunch may result in revocation of parking privileges.
20. Parking anywhere on campus other than one's assigned space may result in the loss of parking privileges.
21. Loitering in the parking lot is prohibited. Students should lock their cars and leave the parking lot immediately upon arriving at school. Students should take all materials/items needed for the school day and not use vehicles as lockers. Students need written permission from an administrator, the SRO, or the parking lot attendant to be in student lots during school hours, including class changes. At lunch, only students using their official off-campus passes are permitted in the parking areas.
22. Student drivers leaving for off-campus lunch are responsible for knowing if persons riding with them have a lunch pass. Any student who provides transportation for a student who does not have a lunch pass or school permission to be off campus may lose his/her parking privileges for a time to be determined by administration.
23. Students who operate a motor vehicle on campus should fully understand their duties and responsibilities. Under School Board Policy 7180 students who violate parking regulations are subject to any or all of the following consequences:
- Revocation of parking privilege
 - Ticketing
 - Towing and storage of the vehicle at the owner's expense
 - Disciplinary action
 - Criminal charges as prescribed by law
24. Handicapped parking is available as needed on an assigned basis only.

25. To assure safety of students, including bus riders, additional regulations apply to students assigned to spaces in the stadium parking lot.
- From the student parking entrance, use the first left to enter the assigned parking area.
 - After exiting parked vehicles, students should use sidewalks and crosswalks and exercise caution around buses and other vehicles.
 - When preparing to depart campus at dismissal, students should wait to move their cars until after the buses have left the parking area.
 - When departing campus, students should drive toward the building and then turn right to merge with other student traffic.
26. Parking a vehicle on school property is a privilege, not a right. Please review all parking regulations with your parents and communicate with school administrators for clarification of any matter about which there are questions.
